November 29, 2015

Dear Members & Prospective Members,

Well, here we are again, at the end of another golf season in NEPA! After a less than ideal Spring, we had a great summer with very little oppressive heat and few all day rains. The Fall started out well but, unfortunately, ended cold and snowy (as I sit here typing, the snow is piling up). But, all in all, a fairly normal year for this part of the country (at least we don't live in Buffalo).

We hope you agree that the golf course was in excellent condition for the majority of the year. Kudos to Pat and his staff for a great job maintaining the golf course with less maintenance dollars than he would have liked. His greens are the best in the area and his bunker work continues to provide better and more consistent conditions every year.

Our members are a big part of our success. Thank you so much for your continued support and for all comments and recommendations. We take all requests seriously and do what we can to give you all the best product possible. We also never take for granted the friendships we have fostered with most of you and are grateful for the "family" we have here at Sugarloaf.

After making some changes to our Club Championship this year, participation was better than the last few years. Congratulations to our 2014 Club Champions: Dr. Gerald Williams, Barry Lopashanski & Stephanie Pcolinsky. Please continue to give us your ideas for making this event better.

A special thank you goes out to Ken Ikeda who is continually working on fostering wildlife on the course and to Stephanie for all the help she gives us with our tournaments and special events and to Bill Schneider for all the planting materials he has provided to us. And, last but not least, to Bob Ritz for brightening my mornings with our daily "fingers" matches.

Enclosed with this letter, you will find a page explaining our new referral program. Please take the time to review it and help us to recruit new members and save some money off of your dues at the same time. New members and regular players will help us as a business to provide better conditions in the future! Thank you all again for a great year. We wish you a happy, healthy and safe Holiday and Winter Season. We hope to see you early next Spring.

Warmest Regards,

Wayne, & Judy, Tom,  
Pat, Michelle, Evan & Gracie
