Dear Members & Prospective Members,

Once again, we have come to that time of the year when we put the course to bed for the winter, lock the clubhouse doors and begin to prepare for the upcoming holidays. But that doesn't mean we aren't thinking about the 2018 season and hopeful for a mild winter and early spring!

This past season was ushered in with the celebration of our 50<sup>th</sup> Anniversary and we really enjoyed celebrating and remember the past 50 years. Many of you had some great stories to share and it's always fun for us to talk about the crazy idea our previous generation had when they decided to build a golf course! Although privately owned and operated golf courses are becoming few and far between, we are hopeful that the next 50 years will thrive under the stewardship of Patrick and his children. Although the year ended on a sad note with the passing of Wayne's Dad, our spirits were lifted by the kind words and the memories of Paul you shared with us. It reinforces what we say every year...we are so thankful for our Members and the relationships you've forged with each other and with us.

One thing has been on everyone's minds...what happened to the ducks??? Ferdinand and Sparkles have been adopted for the winter by Rolland & Dierdre Cheesman and will be spending their winter vacation in Scotrun PA. We are so thankful that the ducks will be safe and well cared for by the Cheesman's. Who knows...maybe there will be some baby ducks by spring!

This season's Club Championship was exciting right down to the last hole, but at the end of the day, Marty Kimmel was crowned 2017 Club Champion. Ron Maue stood out as the Senior Men's Champion, while Bob Tucker bested the field of Super Seniors. Stephanie Pcolinski was recognized as the Women's Club Champion (for more times than anyone can remember). Congrats to you all for a job well done!

Thank you for a wonderful year and your continued support. We wish you and your family a happy, safe and healthy Holiday Season and look forward to seeing you all in the Spring.

Warmest Regards,

The Sugarloaf Golf Club Family

As a family business in a small town, we are very aware of the value in “word of mouth” advertising. We like to think that our biggest fans are our members, so who better to help us grow? More members means more good people to play with, better and more competitive club run events and most importantly, more improvements to the course and facilities. We encourage you to take the time to help us grow, and in exchange for your help, we’d like to pass a membership discount on to you. Remember, there is no limit to referrals at Sugarloaf.
