Dear Members & Prospective Members,

Weather, weather, weather! Did you ever spend as much time talking about the weather as we did the past several months? It seemed as though Mother Nature was a grump all during the 2018 golf season. Due to the adverse weather conditions, it's sometimes just easier to focus on the challenges the bad weather brought....It seemed like the long, cold winter transitioned directly into oppressive heat and drought through June, skipping right past the beautiful days of spring in PA. Then came the rains, and boy oh boy did it rain. From July 20<sup>th</sup> to October 1<sup>st</sup>, we received more precipitation than we typically do in a full calendar year!

We want you all to know how appreciative we are of your patience during times like these, we understand that soft conditions, less than perfect greens, and cart restrictions are frustrating, but we want to thank you all for your support during the difficult times. While the weather is beyond our control, substandard course conditions bother us none the less. As always, we are working hard towards better days and cooperation from nature, and we hope for more playable days of golf in 2019 and beyond! With all that out of the way let me be the first to say good riddance to 2018!

On to the positives! We are excited to announce that we will be bringing in 35 new carts for next season and adding to our events schedule...more casual scrambles and social events are on the calendar. Most importantly of all, our family is so blessed to be able to "work" at such a fun and friendly business. It truly is a pleasure to provide you all with a golf course you can call home, and we cherish the good time and laughs we all share every year.

This season's Club Championship was once again hotly contested and hard fought! When the dust settled Charlie Sanko was crowned 2018 Men's Club Champion. Dominic Lyons captured the very competitive Senior Men's Championship, and once again Bob Tucker bested the field of Super Seniors. Stephanie Pcolinsky was recognized as the Women's Club Champ. Congrats to you all for a job well done and thank you to all who attended the Members dinner!

Thank you for a wonderful year and your continued support. We wish you and your family a happy, safe and healthy Holiday Season and look forward to seeing you all in the Spring.

Warmest Regards,

The Sugarloaf Golf Club Family

## **2019 Membership Referral Program**

As a family business in a small town, we are very aware of the value in “word of mouth” advertising. We like to think that our biggest fans are our members, so who better to help us grow? More members means more good people to play with, better and more competitive club run events and most importantly, more improvements to the course and facilities. We encourage you to take the time to help us grow, and in exchange for your help, we’d like to pass a membership discount on to you. Remember, there is no limit to referrals at Sugarloaf.

- Refer one Class A All Inclusive Member and Receive \$150.00 Off your Membership
  - Refer any other golf Member and Receive \$100.00 Off your Membership
