FORMAT: Tournament will be played in scramble format with 4 golfers per team. Each team has the option of adding a Designated Putter ("D.P."). The D.P. will not hit golf shots but will be allowed to putt with the rest of the team once you are on the green, giving your team 5 tries at each putt. You do not have to have a D.P. on your team, but this is a great opportunity for someone to participate who does not regularly play golf.
