*Please make arrangements for your skins winnings to be picked up within 30 days of the conclusion of the 2020 Invitational. Not responsible for skins and gift certificates left over 30 days.*

Patrick, Wayne & I would like to thank you all for supporting this tournament and for being a part of its continued success for 42 years. We look forward to seeing the familiar faces of teams who have participated for many of those years, as well as meeting many new players. We love hearing your stories of the people you've met here over the years and hope our newer players will find those same kinds of friendships in the future. Although the current COVID-19 Virus kept several out-of-state teams from traveling to PA this year, we are hopeful that by next year's tournament the situation will have been resolved and travel restrictions will be a thing of the past.

It is our pleasure to put this event on every August and we look forward to hosting many more in the coming years. Save the date for August 13, 14 & 15, 2021!

Wishing you all the best for wonderful late summer and fall golf weather.

With Warm Regards,

Patrick, Wayne & Judy  
and the Staff of Sugarloaf
